Successful Convention Held At Macdonald Hotel For Teachers

LAC LA BICHE — Oct. 13 and 14 marked the third convention held at the Macdonald Hotel, Edmonton, for the teachers of the Lac la Biche division. Other divisions participating were Westlock, Lac Ste. Anne, Smoky Lake, Stony Plain and Wetaskiwin.

Teachers registered Tuesday morning at 9:00 a.m. The general session began at 9:30 a.m., with an invocation by Rt. Rev. Joseph Malone, Rector of St. Joseph's Cathedral.

His Worship, Mayor William Hawrelak, welcomed the teachers, as did H. Ross, convention president. This was followed by an address by F. Seymore, the A.T.A. representative, and L. M. Watts, department of education.

Dr. J. H. M. Andrews, faculty of education, spoke on the changing role of principals.

The afternoon session began at 2:00 p.m. with an address by Dr. L. Ball, superintendent of Melborne Township Public School, in New Jersey. He chose as his topic "The Instruction of Exceptional Children".

The Westlock Elementary School presented a panel on "Homogeneous Grouping for Instruction".

At 6:30 in the evening, a banquet was enjoyed by all, at the Macdonald Hotel, with Dr. Ball as the guest speaker.

Wednesday morning the teachers assembled in groups according to divisions. Primary, Elementary,

Daniel Goldsmith To Begin Ministry

LAC LA BICHE — Daniel Goldsmith of Windsor, Ont., will begin his preaching ministry at the Evangelical Free Church, Lac la Biche, Sunday, Oct. 26. A graduate of the Prairie Bible Institute, Three Hills, Mr. Goldsmith has taken postgraduate studies at Columbia Bible College, S.C.

Though the church here has been without a pastor since Mr. A. J. Gerber and family moved to Camrose in May, regular services have been carried on each Sunday by laymen and visiting speakers.

A series of special meetings are being planned for November when outside speakers will be assisting the pastor.

Town Council Meets

Lac la Biche Town Council met, Oct. 14, with Councillors Vincent, Lobay and Hamar, Mayor Hamar and secretary Creighton, present.

The secretary was appointed appraisor to set reserve bids on properties to be offered for sale under provisions of the Tax Recovery Act.

Building permits were approved for construction of two private garages, two dwellings, and a new service station. Total permits amounted to $28,400. A payment to Bert Construction of $6,909.35 for work done to the end of September on sewer lines, was authorized.

The municipal inspector's report was read by the mayor.

An application for the right to build a stock-buying station was considered and approved, subject to approval by the health authorities.

Accounts totalling $3,296.91 were passed for payment.

Wells 3 Miles From Lac La Biche Could Supply At Reasonable Rates

LAC LA BICHE—Townspeople here are watching with keen interest preparations for drilling two natural gas wells. Blake A. Sage, general manager of Sage Oil Co. Ltd., said he is confident of securing a good supply of natural gas at a depth of around 800 feet.

As the distance from the town will be something like three miles, Mr. Sage was optimistic that residents would be able to get gas piped in at favorable rates.

Two utilities companies are interested in buying the gas at the wells.

Sage Oil officials were in the district last week making preparations for drilling two gas wells on their extensive lease holdings of 18,000 acres in the district.

The company plans to drill the wells on the southeast quarter of section 5 and the northwest quarter of section 4, Legal subdivision 7. The sites are on property owned by Art Cadieux and Felix Rizolli.

Mr. Sage, whose head office is in Edmonton, said that he is confident of securing a good supply of natural gas at a depth of around 800 feet. He expected that the wells could be drilled in about two days. Precautions will be taken to prevent the wells from blowing wild.

Home & School News

The Lac la Biche Home and School executive members held a meeting in the Dr. Swift school Oct. 16. Plans were made for the annual meeting, Oct. 24, when a new slate of officers will be installed.

A report from Rev. R. S. Greene regional director for the Athabasca-Smokey Lake zone will be given at this meeting. Mrs. Greene went as a delegate from this district to the workshop at Banff School of Fine Arts and will give a report at this meeting.

The executive urges all members to attend this meeting as these reports will be interesting.

Boy Explodes Shell Between Two Rocks

Denis Bourque, eight-year-old son of Mrs. Alice Bourque, injured his left hand while attempting to explode a shot-gun shell.

The lad, in company with an older boy, placed the shot-gun shell on a rock and pounded it with another stone. The resulting explosion mangled the child's left hand and he was rushed to the General Hospital in Edmonton, where it was feared he would lose some of his fingers.

Vina Ouger Bride Of Roger Bertrand

LAC LA BICHE — Father Leverte officiated at the marriage ceremony in St. Catherine's Roman Catholic church, Oct. 11th, when Miss Vina Ouger, daughter of Mrs. Olga Ouger of Lac la Biche exchanged vows with Mr. Roger Bertrand of Vancouver.

The bride was becomingly dressed in a flecked white wool suit with white accessories. She carried a bouquet of deep red roses and fern.

Miss Rema Pruden attended the bride as bridesmaid, wearing a grey wool suit with white accessories and a colonial bouquet of pink roses.

Mr. Merdie Tremblay, cousin of the bride, was best man.

Mrs. Ouger, mother of the bride was dressed in a blue taffeta dress with black accessories.

Following the wedding, a reception and dinner were held at the home of the bride's aunt, Mrs. Joe Tremblay. Later the happy couple left for a honeymoon in Drayton Valley. Mr. and Mrs. Bertrand will make their home in Edmonton.

GOLF AND COUNTRY CLUB ORGANIZED AS COMPANY

Lac la Biche Golf and Country Club, first organized in June of this year, has recently been incorporated as a company.

After much scouting around for a suitable site, the committee in charge chose a beautiful location overlooking the lake, on property formerly owned by the Albas family, namely River Lot No. 73, on the Ray Shelton road, approximately three miles from town. When Big Island is developed as a park, the site of the golf course will be ideal.

To secure funds to purchase the desired property the directors decided to offer shares at $25. The response has been gratifying and expenses have been met, although it must be stated that much volunteer work has also been done. The fairways were prepared for seeding early in the spring and some work has been done on the sand-greens. A nine hold course is planned for the present. Shares are still being offered for sale by the club, and anyone interested is asked to contact one of the members.

Officers of the Club are: Dr. D. Bouvier, president; L. H. Vincent, secretary; L. J. Badry, 1st vice-president; Dr. William Cadzow, 2nd vice-president; Wm. Hamilton, 3rd vice-president; Directors, J. A. Williams, F. W. McMillan, E. Woynarowich, E. Shanks, R. Rizolli, M. Maccagno, J. Zaluzny, P. Brinsmead, H. Linnell, J. A. Stewart.

Pledge Marriage Vows

LAC LA BICHE — Miss Lin Mae Petterson, daughter of Mr. and Mrs. Gus Petterson of Lac la Biche pledged marriage vows with Mr. Leo Gagnon of Kinuso in the St. Catherine's Roman Catholic church, with Father Leverte officiating.

For her wedding, the bride chose a waltz-length gown of white satin, featuring a full skirt and fitted bodice, and lily-point sleeves. The scalloped neckline was trimmed with seed pearls. Her finger tip veil was held in place by a crown of net and sequins. Her only jewelry was a single strand of pearls, a gift of the groom. Her cascade bouquet was of pink rose buds.

Miss Judy Petterson was her sister's bridesmaid. She chose a gown of aqua lace and net over taffeta in waltz-length. She wore a feather bandeau and her colonial bouquet was of yellow daisies and lilies-of-the-valley.

Mr. Raymond Gagnon, brother of the groom, was best man.

A wedding supper for the relatives and close rfiends was held at the York Hotel. To receive her guests Mrs. Petterson, mother of the bride, was dressed in black velvet gown with pink accessories. Mrs. Gagnon, mother of the groom, chose a medium brown suit with pink accessories.

Following the supper, a reception for the immediate family was held at the home of the bride's parents.

To travel to Kinuso where a reception was held at the home of the groom's parents, the bride wore a red wool suit with white accessories.

Mr. and Mrs. Gagnon will make their home at Imperial Mills.

Oout-of-town guests for the wedding included the groom's parents from Kinuso, Mrs. Henry Romoren, sister of the bride, and daughter of Prince Albert, Sask.

IMPERIAL HELPS YOU FEEL SECURE WHEN THEY FLY

For as long as Canadians have flown, Imperial's leadership in aviation fuels and lubricants has helped make flying safer, surer

Canada's earliest airmen depended on Imperial aviation products, in war and in peace. Imperial gasoline powered Canada's first air mail flight, in 1918.

As more modern planes flew, Imperial research provided them with the new fuels they needed. For many years, Imperial was the only Canadian manufacturer of aviation alkylate, an essential ingredient of aviation gasoline.

The special skills and technical knowledge acquired over the years make Imperial today the nation's major supplier of aviation fuels.

These skills and experience pay dividends to the motorist today when premium grades of gasoline are approaching top aviation octane standards.

Lucille Tatum Goes To Jasper

LAC LA BICHE — Miss Lucille Tatum, left last Friday, for Jasper to take up duties at the meteorological station at that point. Her duties there will be that of relief meteorological technician.

Miss Tatum joined the staff of the local weather bureau in June, 1950, and was promoted to officer in charge in August, 1953, which post she held continuously from that time until the station was moved from the site beside the Lac La Biche Creamery to the airport a few weeks ago, and which is now completely staffed by men. Since the closing of the station in town, Miss Tatum has been assisting O. Kleven, officer in charge, in instructing radio operators in radio range.

Lucille, born and raised in Lac la Biche, is one of the most popular girls in the district. She was twice chosen as Carnival Queen to represent the Student's Union, and was crowned May Queen by the Tennis Club. Keenly interested in sports, especially curling, Lucille is looking forward to the thrills of skiing in the Rockies.

REPORT LINKS SMOKING -- CANCER

TORONTO — The National Cancer Institute of Canada has reported 16 distinct studies show lung cancer occurs from five to 15 times more frequently among smokers than non-smokers.

Moreover, the institute said in summing up the first Canadian study of its kind, the risk of lung cancer increased with the amount smoked.

Similarly, the risk decreases when you quit smoking.

The institute based its report, published in the Canadian Medical Association Journal, on an assessment of most of the medical articles written about the association between lung cancer and cigaret smoking.

It says cigaret smoking has not been established as a cause of lung cancer not can all cases of lung cancer be accounted for by smoking.

"Medical literature, however, contains the reports of at least 16 studies carried out over the past 18 years in several countries and in each of these a statistical association has been noted between lung cancer and smoking.

"In summary, these studies show that lung cancer occurs five to 15 times more frequently among cigaret smokers than among non-smokers.

"The incidence of lung cancer increases with the amount smoked and the cessation of smoking by heavy smokers is accompanied by a lower risk of such individuals developing lung cancer."

The institute said the Canadian death rate from lung cancer has increased 4½ times in 20 years.

In Canada one death in every six is caused by cancer of some sort and for every 10 deaths from other kinds of cancer, there is one from cancer of the lung. One in every 66 deaths can be attributed to this cause.

"Among men the greatest number of deaths from lung cancer occurs between 65 and 69. Among women the greatest number of deaths is between 70 and 74 years of age." However the lung cancer death rate for men is five times that for women.

The study also found that in 1935 the average number of cigarets smoked per person in Canada was 490 annually. By 1955, this figure had shot up to 1,500.

Studebaker Shows Small Cars

SOUTH BEND, Ind. — Studebaker-Packard's 1959 series of smaller automobiles were put on display at a national press review.

The Lark series went into production Sept. 30. Simplicity of design marks the new car. Its front end is a single stamping. It has bolt-on fenders to simplify repairs. Its rear lights are interchangeable; so, too, are the large single headlights.

President Harold E. Churchill said he is convinced the industry is just entering a broadening market for smaller cars. Total United States small-car sales this year are expected to number more than 300,000 units. Some industry experts have said at least 400,000 will be sold in 1959.

Delegations from the importing countries of Portugal, Finland, Brazil, Colombia and India have been conducted on tours throughout the U.S. winter wheat belt this summer. Sponsors have been the Wheat Commissions of Nebraska, Kansas and Colorado and the Nebraska Wheat Growers Federation.

Maria Duban, Raymond Pickering Wed in Double-Ring Ceremony

LAC LA BICHE — St. Catherine's Roman Catholic Church was the scene of a quiet wedding, Oct. 11, when Miss Maria Duban pledged marriage vows with Mr. Raymond Pickering of Grande Prairie.

Father Leverte officiated at the double-ring ceremony for the eldest daughter of Mr. and Mrs. William Duban of Lac la Biche and the third son of Mrs. Pickering and the late Mr. Pickering of Grande Prairie.

The bride chose an ankle length gown of white brocaded taffeta, featuring a very full skirt and fitted bodice. The neckline was scalloped and the short sleeves scalloped to match. She wore long white gloves and a finger tip veil and carried a white prayer book on which was placed a single fresh orchid.

The bride's attendants were her two sisters, Mrs. Paul Bouvier as matron of honor and Miss Iris Duban as bridesmaid. Mrs. Bouvier was gowned in a deep rose silk in waltz-length with matching hat and gloves. Her bouquet was of pink chrysanthemums. Miss Duban chose a waltz-length gown in blue lace and net over silk with matching hat and gloves and carried blue chrysanthemums.

Mr. Herb Steeves of Grande Prairie and Mr. Harold Kondro of Edmonton were groomsmen.

Following the ceremony, a reception was held in the Masonic Hall for the relatives and close friends. For travelling the bride was dressed in a sand sheath dress with matching accessories. Mr. and Mrs. Pickering will make their home in Grande Prairie.

Out-of-town guests at the wedding included the two grandfathers of the bride, Mr. Andrew Duban of Boyle and Mr. Louie Gowalko of Thorhild; the groom's mother, Mrs. Pickering of Grande Prairie; Mrs. Patricia McLean, Spirit River, sister of the groom; Mr. and Mrs. Dan Gowalko, Grassland; Mr. and Mrs. John Pysyk, Mr. and Mrs. Pete Pysyk, Mr. and Mrs. Steve Pysyk and family. It's the new 16- or 18-foot John Deere 95—the biggest self-propelled ever built. It's ready, willing, and able to do the job in every crop from the first small grain or seed right on through corn.

The 95 has a 40-inch feeder . . . a 40x22 rasp-bar cylinder . . . 5600 square inches of separating area . . . more than 4000 square inches of cleaning area . . . an 80 h.p. John Deere Engine . . . a 60-bushel, fast-unloading grain tank—and a host of other big-capacity features you'll have to see to really appreciate. A 12-foot pickup platform is available.

Stop in the next time you're in town and look it over.

SERVING GAME BIRDS

The season has opened for upland game and with it has come the problem of serving the birds.

Pheasant can be served in many of the same ways as chicken. Ordinarily the flavor of pheasant is acceptable and desirable so no disguise is necessary.

Roast Pheasant: Sprinkle cleaned bird, inside and out, with salt and pepper and then rub with butter. Instead of butter, the bird may be stripped with thin slices of salt pork. Place on rack in a roasting pan and roast at a temperature of 300 to 350 degrees F. If a young bird, do not cover the pan. If an older bird, cover during roasting.

If it seems desirable to alter the flavor of the pheasant, stuff with uncooked dried prunes, quartered apples and a small amount of onion. Remove stuffing before serving.

Pheasant in Mushroom Sauce: Prepare pheasant as for frying chicken and brown in hot fat, butter or half butter and half cooking fat. Sprinkle with minced onion, cover with canned mushroom soup (heated). and bake until tender in 300 degrees F. oven. Serve with steamed rice.

Smothered Pheasant or Chicken (for old birds): Cut up as for fricasse, wash and let stand in cold water for awhile (an hour or more). Drain, season, roll each piece thoroughly in flour and pack closely in a deep casserole or baking crock. Place a layer of sliced onions over each layer of meat. Pour on *hot* water, just to cover. Dot generously with butter. Cover closely and bake until tender in a 350 degree F. oven.

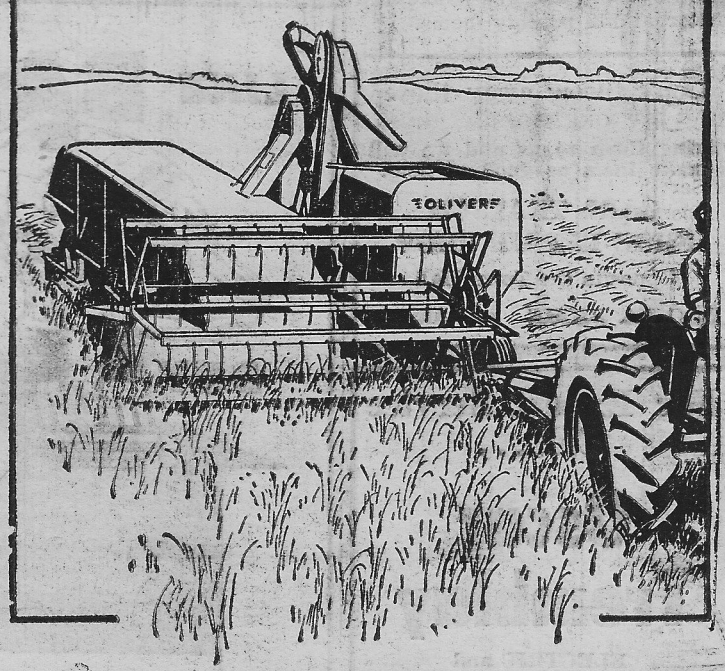
OLIVER

7-FOOT COMBINE



Faster cutting... thorough threshing... cleaner separation—you get all three with a new Oliver model 18. Its big 7-foot header is perfect for wide or narrow-spaced soybeans—boosts capacity in grains, too. Semirevolving reel saves extra heads at the cutter bar. The new centering auger and undershot feeder give better control of the crop. Concave adjusts at both ends. And that big, long Oliver straw rack always shakes out more kernels. Oil Sands A-Blast Plans May Get Nod

OTTAWA — Unless some international commitments stand in the way, cabinet is expected within two or three weeks to give the go-ahead to advanced planning for a proposed nuclear blast under Alberta's rich oil sands.

Furthermore, a mines department official told a reporter there's nothing fantastic about the proposal at all, although the whole idea is that it would be purely an experiment.

Mines Minister Comtois would bring the proposal before cabinet within two or three weeks for consideration.

The feeling is that permission to proceed would be refused only if the experiment could be construed as some sort of nuclear weapons test contrary to any international agreement signed by Canada.

If cabinet approval is forcoming, the next step will be to set up a committee of scientific experts from the mines department, Atomic Energy of Canada Limited and the National Research Council.

Mikulin, Andrucki Elected To Council

The Boyle civic election was interesting. The turn-out of voters was exceptionally good. Out of the four candidates running for councillor, Alex Mikulin, Pete Andruski and John Nayowski, were tied for first place and Pat McNamara was defeated. It became the duty of the officer to break the final tie, electing Alex Mikulin and Pete Andruski as councillors.

Slides Viewed At AYPA Meeting

BOYLE — The AYPA held its regular meeting at the rectory Oct. 15. The parents were guests of honor for the occasion.

Slides taken by Rev. and Mrs. B. A. Hart while in Europe were shown and described.

At the conclusion of the evening lunch was served.

In the 1941 Canadian census 43.5 percent of the population was rural and 56.5 urban. In the 1956 census 33.4 percent was rural and 66.6 percent urban.

CIVIL DEFENCE TOPIC OF TALK

BOYLE—At the last Home and School meeting Harry Witney gave an interesting talk on a part of civil defence. Mr. Witney explained the warnings one would receive if war was near, the evacuation, the actual explosion of the H. bomb and then the part played by the civil defence workers. He explained in detail many things which gave those present a picture of the happenings.

The Canadian Press reports that the railways will soon apply for freight rate increases amounting to about 35 percent. If granted, this would yield the railways about $90 million a year of new revenue.
